Australasian HIV/AIDS Conference 2010
22nd Annual Conference of the Australasian Society for HIV Medicine
Sydney, 20-22 October 2010

Abstract Preparation Guidelines

- All abstracts must be prepared in Arial 12 point type only
- Title should appear in BOLD CAPITALS at the top of the abstract
- Single spacing should be used
- Maximum length is 350 words for the body of the abstract (excess words may not be printed)
- Format - Microsoft Word (.doc) file only
- Surname of author(s) to appear first, followed by initials of first and middle names
- (do not use full stops or commas between the surname and first names or between initials, e.g. Smith JM, Brown K)
- Omit degrees and titles (Dr, Prof. etc)
- Principal author to appear first
- Please underline the name of the author who will be presenting the paper
- Use superscript numbering to represent the link between the authors and their affiliations. Please indicate the number after the authors name.
- Include city, state and country of the affiliation: do not include street address
- Leave one line between paragraphs
- Abbreviations must be spelt out in full at the first mention, followed by the abbreviations in parentheses
- Subtitles are allowed in the body of your abstract (e.g. Introduction, Methods, Results, Conclusions)
- Do not use tables or graphs
- Do not use references
- Abstracts must be written in English
